

幼 年

A large, bold, black cursive calligraphic character '毛' (mao) is centered in the upper half of the page. The character is written with thick, expressive strokes, showing the texture of the brush. It features a vertical stem with three horizontal strokes branching out to the left, and a long, sweeping tail that curves downwards and to the right.A large, bold, black cursive calligraphic character 'の' (no) is centered in the lower half of the page. The character is written with thick, expressive strokes, showing the texture of the brush. It consists of a large, rounded loop on the left side and a long, sweeping tail that curves downwards and to the right, mirroring the style of the character above.
