

幼 年

A large, bold, black cursive calligraphic character '幼' (young). The character is written with thick, expressive brushstrokes. It features a prominent vertical stroke on the left that curves slightly to the right at the bottom, and a shorter, more vertical stroke on the right that also curves slightly to the left at the bottom. The overall shape is somewhat rounded and compact.A large, bold, black cursive calligraphic character '年' (year). The character is written with thick, expressive brushstrokes. It features a prominent vertical stroke on the left that curves slightly to the right at the bottom, and a shorter, more vertical stroke on the right that also curves slightly to the left at the bottom.
